FLOOR DEBATE

LB 848

that we're doing, I have drafted an amendment which should be on the desk directly.

SENATOR CUDABACK: Senator Chambers...Senator Chambers, you're recognized to open on your amendment. (FA878, Legislative Journal page 837.)

SENATOR CHAMBERS: Thank you. Members of the Legislature, I had told Senator Brashear I would like to see the emergency clause on this bill. And I want to be sure that it's not going to foul up anything that relates to the bill, so I would like to ask Senator Brashear a question. I would like to ask Senator Brashear a question, Mr. President.

SENATOR CUDABACK: Would you respond, Senator Brashear?

SENATOR BRASHEAR: Yes, Mr. President.

SENATOR CHAMBERS: Senator Brashear, I know that for the bill itself this should not pose any problem, but would it create any difficulty since there is an A bill?

SENATOR BRASHEAR: No, it will not.

SENATOR CHAMBERS: Then I'm going to offer this amendment, and then I would like to know, from Senator Brashear, do we need an emergency clause on the A bill?

SENATOR BRASHEAR: The A bill is of no consequence, so I think not.

SENATOR CHAMBERS: Thank you. Mr. President, members of the Legislature, that having been said, I hope you will add the emergency clause to this bill. I am convinced that it is going to improve the practice of law, the governance of the profession, and provide information which, I think, is in the best interest of the public which is to be served by members of the bar, who are the only ones authorized, under the law in Nebraska, to practice law. Thank you.

SENATOR CUDABACK: Any further discussion? Seeing no lights on,
